COIN PRICED CATALOGUE.

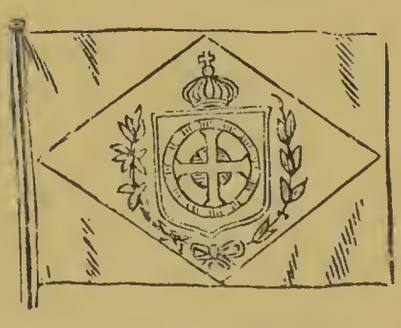
Showing the fictitious value of all American Coins, prepared for the use of Collectors, Brokers, and Storekeepers.

It is of incalculable value to Brokers, Newsdealers, and all Storekeepers, as it gives the fictitious value of all American coin, some of which are worth FIVE HUNDRED TIMES THEIR FACE VALUE.

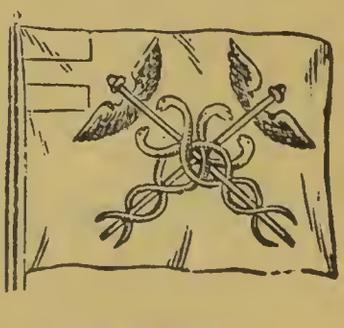
The prices quoted are not the fancy ones sometimes realized at auctions, but are bona fide offers of responsible parties for upwards of three hundred pieces of American silver and copper coin, at an average of two hundred per cent. over their face value. It must not be supposed that these are all very early dates, some of the pieces wanted were issued as late as 1857. Price only 25 cents.

THE MERCHANT FLAGS OF THE WORLD

AUSTRIAN-ITALY.



BRAZIL.



FINLAND.

Uncolored fac-similes, showing size and style.

These brilliant colored Flags faithfully represent the emblems of the different nations of the earth, and as such are a great acquisition to any Album, while the exceedingly low price (25 cents) at which they are published, places them within the reach of all."

"This Chart, containing many Flags never before published, has been collected with great care, and can be relied upon as being strictly accurate, and by its aid the nationality of any ship may be easily determined, as it gives the Flag of the NATION instead of the gorgeous piece of bunting which simply belongs to one family, and is seldom, if ever, seen out of their country."

"These sheets possess three great advantages (to the Collector) over any others we are acquainted with, which consist in the facts that there is only one Flag to each country ; more nations represented than have heretofore been given and only Flags of those countries which issue postage stamps. These we consider of great importance to those who buy them to put in albums, as they can use them all instead of having to throw away half the purchase. The colors are very brilliant, and withal correct, and being printed on very thin paper, the book is not swelled to an inordinate thickness."

Beautifully and correctly printed in FIVE colors on fine heavy paper for framing, or thin paper for albums. Price only 25 cents.

In ordering please state which paper is required.

THE COMMON SENSE POSTAGE STAMP ALBUM.

—:o:—

It has received the Highest Prize wherever exhibited, and was awarded the only Diploma for Stamp Albums at the American Institute.

It has specially designed spaces for the reception of every Postage Stamp ever issued, rather larger than the Stamp itself, thus showing a neat border round each, adding much to the appearance of a set. Each space contains the description of the stamp it is designed for, thus making it nearly impossible to make mistakes in arranging the collection. It is brought up to the present time, having spaces provided for the Stamps of The Deccan, Fiji Islands, Japan, &c., &c., also, for the new issues of Canada, Ceylon, Luzon, Norway, Prince Edward Island, United States Official, &c., &c.

It is bound in the strongest manner, by the most skilful workmen, with the best materials. The following styles and prices now ready:

HALF CLOTH, beautifully illuminated in black and gold	$2 00
CLOTH, gilt lettering, back and sides,	2 50
" guards, clasp, &c.,	3 50
" extra thick paper, gilt clasp, printed on one side of the paper only,	5 00
HALF MOROCCO, extra fine, heavy paper, gilt clasp,	6 00
FRENCH MOROCCO, fine heavy paper, gilt edges, two gilt clasps	8 00
HALF MOROCCO, bound very strong, every other page blank, making it "perfectly permanent;" warranted ten years. Price only	10 00
HALF LEVANT MOROCCO, gilt edges, a perfect book,	15 00
FULL LEVANT or RUSSIA, full gilt,	25 00

EXTRACT FROM PREFACE.

"Special care has been taken to leave plenty of room for those governments that are still in existence, so as to accommodate future issues, and blank pages are left at appropriate intervals for the reception of Stamps from any countries that have not at present issued Postage Labels; but should any one desire additional leaves, specially designed pages to correspond with the body of the book are prepared for all new issues as soon as they are received. These are supplied by the publishers at a nominal rate, and can easily be inserted in their proper order by gumming them to the guards bound with the book for that purpose, thus making the Album PERFECTLY PERMANENT, and as good after ten years as one just published."
